Thank You To Our 2019 'Giving Tuesday' Donors

Giving Tuesday is a global generosity movement which began in 2012 and was created as a simple idea: "a day that encourages people to do good." Locally last year, the Findlay Hancock County Community Foundation matched donations (up to \$500 per organization) and 40 non-profits were able

to raise more than \$298,000 setting a record of the biggest day of giving in Hancock County. At 50 North, \$3,064 was raised for the mobile meals financial assistance program. Thank you to the following donors who generously gave on Giving Tuesday, December 3, 2019.

What They're Saying...

Gene Acocks - 100 years old

"I golf at least once a week with my 3 sons and I visit many friends in nursing homes on a daily basis. I also keep fit by coming to 50 North five times a week to work out. I do up to 30 minutes of cardio, I use 5lb. weights and some of the machine's to keep my body strength up. You're never too old to work out. Come Join us!"

Gene also enjoys lunch in our Café.

The 50 North Purpose

ACTIVITIES | CHORE | NUTRITION | OUTREACH | WELLNESS

At 50 North, it was a year of strong progress forward in our mission to Enrich Lives and Support Independence of older adults in Hancock County. Growing participation is evidence of that progress.

There are many governmental and nonprofit agencies that are doing important work for the benefit of our citizens. Only 50 North is focused exclusively on the well-being of our county's older adults. This singular focus allows 50 North to excel at identifying the full range of opportunities to support the enrichment and independence of older adults linking them to these opportunities.

The goal of 50 North is to help our county's older adults transition from a place of work, independence, and good or manageable health, through retirement and beyond. The growing need for varying levels of assistance to remain independent, and the increasing need for help managing health and concerns is the focus of 50 North. Through its activities, chore services, nutrition, outreach and wellness, 50 North helped Hancock County's older adults make this transition while maximizing their independence.

By the numbers in 2019:

- Nearly 25% of the Hancock County adults 55 and older are members of 50 North with an average of 31 visits per member and almost 10% of them are fitness members
- 50 North's Café served almost 24,000 meals and mobile meals delivered 23,600 meals for a total meal count approaching 50,000
- The Outreach department provided nearly 7,000 social services and information and referral calls
- And the Chore services department provided 6,336 hours of service.

In 2019, 50 North worked hard to protect and preserve Hancock County's older adults' autonomy and independence. As more people use the facility and services, waiting lists and tight spaces are the result. Waiting lists

and wait times, as well as tight spaces discourage people from participating in our activities and limit the number of people we can serve. Due to increasing demand driven partly by the changing age demographics in our county and partly by the excellent quality of service provided by our staff, 50 North embarked on a building expansion and renovation project to meet this demand today and into the future.

In 2019, 50 North secured 60% of the \$6M needed to complete this project. A list of our donors for this capital project is included in the Annual Report. We say a heartfelt thank you to those of you who have already expressed their support for this important project by making an early gift or commitment to give.

We are particularly thankful to the voters of Hancock County for their commitment to our seniors demonstrated by their consistent support of the senior service levy. We also recognize a sincere thanks is due to our donors who ensure that vital services such as Activities, Chores, Nutrition, Outreach and Wellness continue to be available.

Among 50 North's greatest assets are our wonderful volunteers. This year more than 460 individuals contributed thousands of hours of their time to make 50 North the best we can be.

Finally, we thank all of the Board of Trustees, staff and over 100 partnering organizations in Hancock County who work tirelessly together to Enrich Lives and Support Independence of people 50 and over. We look forward to continuing to serve the needs of our seniors today and for the future.

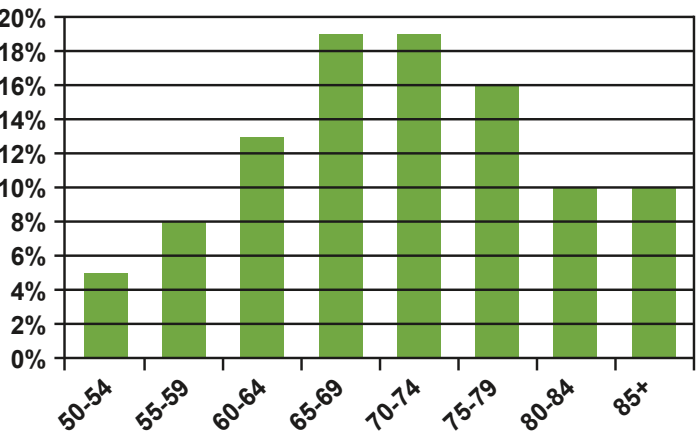

A heartfelt thank you,

Carolyn Copus

What They're Saying...

Lois Karhoff, volunteer

"Losing my husband left me with a void in my life. I lost the giving part of my life and volunteering would fulfill that. I joined 50 North's Fitness Center and I began volunteering for the Delay the Disease Program for Parkinson's and I've been doing it ever since. It's the highlight of my week, I think I get more from it than they do!! Ironically, by helping others, it helped relieve my depression."

What They're Saying...

Jim & Shirley Reichman

"We're at 50 North almost every day having lunch in the café. Jim has diabetes and the meals here help him stay stable and we really like the food. You have so many choices and it's easier than trying to cook for two. We always stay long after lunch, laughing and visiting with the people at our table. We have met so many wonderful people and have become good friends, and it's a fun place to come to. In addition, we've joined the 50 North Millstream band and we also enjoy the free movies!"

Jim Rettig

"In the past, I used to go to 50 North to their café and enjoyed some of the free movies. My needs have changed, and I was referred to the 50 North Outreach department for services. I now receive Mobile Meals and was able to enroll in an ERS program (Emergency Response System) through 50 North. I wear it all the time in case I fall. I don't feel alone now."

Phillip 'Fred' Molter

"I'm in a wheelchair now. My friend told me about 50 North and I called to see if they could help me with a ramp. The guys did a great job! It lets me go outside now to get fresh air and I can drive myself to doctor appointments. Before, I was stuck in the house and had to be carried out."
