Water Exercise Class Announcement

We understand the benefits of water exercise for older adults and we have been very fortunate to collaborate with Birchaven Village to offer water classes at Birchaven's Indoor Pool. Due to the demands and requirements of assuring a safe environment now and into the future and limited resources, we are sad to announce that we will not be able to continue to offer water classes at Birchaven upon re-opening 50 North Fitness Center. We recognize that we will not pursue an aquatics program at 50 North, due to extreme costs of constructing a pool as well as the ongoing operational and maintenance costs associated with an aquatic program. Please know that your 50 North Fitness and Wellness Center membership continues to include the following:

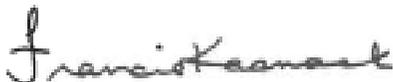

Fitness Center equipped with commercial- grade cardio and strength training equipment including treadmills, ellipticals, Bio-Steps, NuSteps, recumbent bikes, spinning bikes, row machine and a wide variety of upper & lower body strength training machines, including an assortment of hand weights, stretch bands, TRX straps, balance balls, Wellbeats (virtual fitness kiosk system) and more. Fitness & Wellness Center members are able to choose from a variety of daytime and evening group exercise classes. Live virtual "zoom" classes. Complimentary appointments are also available to meet with Fitness staff to develop individualized exercise programs.

Membership extension and reimbursement

We ask that you support our mission by continuing your membership through this challenging time. By continuing your membership, you will help keep us financially viable and allow 50 North to provide its impactful services. That said, if you would like us to extend your membership during the lapse unused time, we would be happy to do this. If you would like us to reimburse you the \$9.58 per month for an individual and \$15.42 per month for two, we are happy to do this as well. If you are interested in any of these options, you can visit 50 North's website, www.50North.org. Go to the services tab at the top of the page. Select Wellness, Select Contact Us, to send an email to our Fitness Center staff or contact Fitness Center staff. **Upon our re-opening, Fitness & Wellness Center Memberships extensions or reimbursement requests need to be received by Monday, June 29, 2020.**

As we slowly begin to prepare to re-open 50 North, we want to assure you that safety is our priority. Things will look and feel differently. We are working hard to prepare a safe environment upon your return.

We feel very blessed as a staff to be a part of such a great community of members at 50 North. We appreciate all the patience and support from our members during this time. We will continue to keep you updated. We look forward to seeing you at 50 North!

Assumption of Risk and Waiver of Liability Relating to Coronavirus/COVID-19

The novel coronavirus/COVID-19, has been declared a worldwide pandemic by the World Health Organization. COVID-19 is extremely contagious and is believed to spread mainly from person-to-person contact. 50 North has put in place preventative measures to reduce the spread of COVID-19; however, 50 North cannot guarantee that you will not become infected with COVID-19.

READ CAREFULLY BEFORE SIGNING-INITIAL EACH PARAGRAPH

____INITIALS By signing this agreement, I acknowledge the contagious nature of COVID-19 and voluntarily assume the risk that I may be exposed to or infected by COVID-19 by participation; and that such exposure or infection may result in personal injury, illness, permanent disability, and death. I understand that the risk of becoming exposed to or infected by COVID-19 at 50 North may result from the actions, omissions, or negligence of myself and others, including, but not limited to 50 North employees, volunteers, members or community at-large.

____INITIALS I voluntarily agree to assume all of the foregoing risks and accept sole responsibility for any injury to myself (including, but not limited to personal injury, disability, and death), illness, damage, loss, claim, liability, or expense, or any kind, that I may experience or incur in connection with my participation at 50 North. On behalf, I hereby release, covenant not to sue, discharge, and hold harmless 50 North, its employees, agents, and representatives, of and from the Claims, including all and agree that this includes any Claims based on the actions, omissions, or negligence of 50 North, its employees, agents, and representatives, whether a COVID-19 infection occurs before, during, or after participation at 50 North.

____INITIALS I represent that I have adequate insurance to cover any injury or illness I may suffer or cause while participating in this organization activities, or else I agree to bear the cost of such injury of illness myself. I further represent that I have no medical or physical condition which could interfere with my safety in this activity, or else I am willing to assume – and bear the cost of – all risks that may be created, directly or indirectly, by any such condition.

____INITIALS By signing this document, I agree that if I am exposed or infected by COVID-19 during my participation in the organizations activities, then I may be found by a court of law to have waived my right to maintain a lawsuit against the parties being released on the basis of any claim for negligence.

____INITIALS I have had sufficient time to read this entire document and should I choose to do so, consult with legal counsel prior to signing. Also, I understand that this activity might not be made available to me or that the cost to engage in the organizations activities would be significantly greater if I were to choose not to sign this release and agree that the opportunity to participate at the stated cost in return for the execution of this release is a reasonable bargain. I have read and understood this document and I agree to be bound by its terms.

____INITIALS If I have signed a separate general waiver of liability connected to my participation at 50 North, I agree that the terms of that waiver are wholly incorporated into this document and that the terms of this document are incorporated into the separate general waiver.
