Steady & Strong: Empowering Parkinson's

Class A - Steady Boost (1 hr)
Designed for individuals with **limited or unsteady mobility**, this class offers **engaging movements** that combine **cardio, brain health, and strength**. **Seated option available.**

Class B - Strong & Dynamic (1 hr)
Take your fitness to the next level with **moderate to higher-intensity exercises** focused on **cardio, brain health, and strength**. Includes **dynamic standing and functional movements**. Participants should be able to get up off the floor with minimal help.

Parkinson's Pound (30 min)
An invigorating way to **empower individuals with Parkinson's**, this cardio drumming workout **boosts heart rate, confidence, and mood**.

(T)BodyBlast (45 min) A full body HIIT workout that involves cardio and resistance training.

Enhance®Fitness (45 min) An evidence-based group exercise class offering a full aerobic workout with cardio, strength, balance, and flexibility exercises. Arm and ankle weights are available for strength training.

(T)SilverSneakers® Classic (45 min) Seated and standing exercises to increase muscular strength, range of motion and activities for daily living.

SilverSneakers® Yoga (45 min) Seated and standing yoga poses to increase flexibility, balance and range of motion.

Yoga Fusion (45 min – 1 hr) Relax your mind with a mix of yoga techniques, traditional stretching, Pilates, and core and muscle strengthening exercises with standing and floor work.

(T)Seated Strength and Stretch (30 min) A seated class offering full body strength & core conditioning, posture & stretching. Wheelchairs are welcome.

(T)Balance & Strength Class (30 min) A seated and standing chair-based class focused on improving balance, strength, and bone health using hand weights and tubing. Arrive early or stay after class for a 5-minute walk or bike (walkers and walking sticks available).

(T)Standing Stronger (30 min) A class focused on building strength for greater independence, helping participants move from seated to standing positions. Suitable for those working toward standing independently.

Tone & Sculpt (45 min) Full body toning and core strengthening class with light cardio.

Geri-Fit® (45 min) An evidence-based strength training class for older adults focused on increasing strength, balance, coordination, flexibility, and motor skills. Exercises, mostly done seated with dumbbells, can help reduce arthritis symptoms and support chronic disease management.
