PASSPORT REQUIRED

Ft. Lauderdale, Florida ~ According to the popular 1960 beach movie, Fort Lauderdale is "where the boys are." The city's reputation as America's Spring Break capital, however, has been replaced with the more favorable image of a prime family tourist destination, attracting more than 10 million visitors annually. The most popular beach resort in Florida is even more rightly famed as the "Yachting Capital of the World," with more than 40,000 registered crafts calling its waters home. The city also prides itself on being the "Venice of America" with more than 300 miles of navigable waterways. Fort Lauderdale boasts world-class theaters, museums, sightseeing, and shopping.

Princess Cays, Bahamas ~ An exclusive port of call, Princess Cays, where you'll enjoy a private beach party on the island of Eleuthera in the Bahamas. One hundred miles long and only two miles wide, Eleuthera offers unspoiled beaches. Our private resort at Princess Cays is situated on more than 40 acres and features over a half-mile of white-sand shoreline, all at the southern tip of the island. The resort boasts outstanding amenities while carefully preserving this natural paradise. Take in the views from the observation tower. Enjoy a complimentary beach barbecue. Sip a cool drink or browse the shops and the local craft market. All of Princess Cays' facilities are linked by walkways. Recreational activities abound. Enjoy volleyball and a full range of water sports, or simply relax on the beach.

St. Thomas, Virgin Islands ~ The US Virgin Islands are America's paradise, offering an easygoing blend of island ways and American practicality. St. Thomas, capital of the island group, offers every imaginable sport: snorkeling, golfing, hiking, and sailing. Just a few miles away lay St. John and Virgin Islands National Park. Stunning mountain scenery, crystalline waters, and white-sand beaches with palms swaying in the breeze - the US Virgin Islands are truly a slice of paradise. The harbor is easily one of the Caribbean's most scenic. St. Thomas has a reputation as a duty free-mecca for shopping.

Antigua ~ The largest of the British Leeward Islands, Antigua (pronounced an-tee-ga) boasts one of the Caribbean's most spectacular coastlines with secluded coves and sun drenched beaches. The island's rolling hills are dotted with stone sugar mills, relics from the bygone era when sugar was king. Historic Nelson's Dockyard, where Admiral Horatio Nelson quartered his fleet in 1784, attests to Antigua's long and colorful nautical history during colonial times. And St. John's, the island's bustling capital, offers visitors a wealth of boutiques, restaurants and pubs.

St. Lucia ~ Nestled below the Pitons, twin peaks rising over 2,600 feet above the azure waters of the Caribbean, St. Lucia is an oasis of tropical calm. The island's capital, Castries, is a town of charming, pastel-colored colonial buildings, home to some 60,000. Yet despite its peaceful setting, St. Lucia has a turbulent and colorful history. Fierce Carib warriors overran the peaceful Arawaks in the 9th century. The first European settler, Francois Le Clerc, was a French buccaneer. Le Clerc's countrymen followed in his wake, establishing the town of Soufriere in 1746. Sugar was the lure, sugar was king. Within four decades some 50 plantations flourished on the island. Thus St. Lucia became part of the Caribbean's 18th-century trade triangle of sugar, slavery, and rum. Today this beautiful island welcomes visitors drawn to its exotic tropical landscape, superb beaches, crystalline waters, and colorful marine life.

Barbados ~ Barbados is one of the few Caribbean islands solely colonized by one nation. It's no wonder Bajans describe their country as being "more English than England sheself," surnames like Worthing and Hastings abound. But look around and you know you're not in England: rich and fertile tropical fields meet a glistening, azure sea. The soft pastels of old chattel houses blend with the vibrant reds, oranges, and greens of roadside fruit stands. In short, Barbados exudes a charm all its own. Perhaps it is due to Bajan culture, that celebrated blend of English tradition and the African heritage brought to the island by slaves imported to work the sugar plantations. The potent brew which results flavors every aspect of island life, from music, dance and art, to religion, language and food.

St. Kitts ~ Jagged volcanoes soaring above azure and turquoise seas, dense rainforests in myriad shades of green, rolling fields of sugarcane--welcome to St. Kitts. Along with its neighbor, Nevis, St. Kitts presents an exotic landscape more common to Polynesia than the Caribbean. The islands' terrain, rich soil, and climate made them ideal locations for raising sugarcane. In fact, St. Kitts and Nevis were once the crown jewels of the Caribbean. During the 17th and 18th centuries, Spain, France and England vied for control of the islands, with the English finally winning out in 1787. Today, British and French heritage is evident on both islands. Basseterre, the capital of St. Kitts, boasts fine, restored colonial buildings. Impressive Brimstone Hill Fortress, called the "Gibraltar of the West Indies," is one of the most impressive fortresses in the Caribbean.
