Important Tour Information:

Book Now rates valid until Sep 05, 2026, valid on air inclusive packages only.

The overall activity level of this tour is a level 3. This means you're an on-the-go traveler. You don't want to miss a thing, so walking and standing for longer periods of time (2-3 hours) isn't a big deal. A moderately paced two-and-a-half-hour walking tour, covering several miles, hills, and uneven surfaces, is no problem for you. Walking four miles over the course of a day is very doable, as is climbing into and out of various modes of transportation (tuk-tuk, cable car, zodiac, etc.). You can climb three flights of stairs easily and handle altitudes between 6,000 and 9,000 feet. Expect some longer days with early mornings or late nights balanced with free time to recharge or set out on your own adventure. This level is not a fit for travelers who require mobility assistance devices.

Travel with an average of 37 people (maximum of 44).

Italy imposes strict limits on tour bus circulation and mandatory drop-off and pick-up points, especially in historic areas such as Palermo, Monreale, Taormina, Matera, and Sorrento, which all require the ability to walk up and down hills on narrow, cobblestone streets and stairs.

Positano is a vertical village built into the cliffside of the Amalfi Coast. There is no vehicle circulation possible inside the town as all the streets have steps connecting them. Visiting requires the ability to walk up and down very steep inclines and steps without any railings or handles.

The included activities, and most optional ones, are not suitable for travelers using motorized scooters, wheelchairs, walkers, or Zimmer-frames. The optional tour to Mount Etna cannot accommodate travelers using wheelchairs or motorized scooters, as all participants must be able to climb onto the off-road vehicles using the vehicle's handles to hoist yourself into the cabin.

If you require any special assistance while on tour, please make us aware at time of reservation so the necessary request form can be sent to your attention.

The archeological sites of the Valley of the Temples and Pompeii cover several square miles and require extensive walking over uneven, often unpaved, terrain with gravel and loose stones.

This comprehensive tour features multiple long bus transfers exceeding 3 hours. In particular, the transfers from Palermo to Agrigento and from Agrigento to Giardini Naxos require 4+ hours of driving. The full-day transfer from Giardini Naxos to Matera is 7+ hours of driving, and the transfer from Matera to Sorrento is 5+ hours in length.

Most shops and businesses in Italy are closed on Sundays and on national/religious holidays.

***The ferry to Positano is subject to sea and weather conditions and operates between April 1 and October 31, yearly. In case of adverse sea conditions or if travelling to Sorrento between November 1 and March 31, the boat ride will be replaced by a bus transfer to Positano. Travelers prone to seasickness and/or motion sickness should take proper precautions.

*The mozzarella production takes place at nighttime, ending prior to your visit. Therefore, travelers will not see the production in process.

Single rooms in Italy are designed to allow for privacy and are most often smaller in size. Beds in single rooms are usually cot-sized.

**Select groups may be accommodated in one of Sorrento's neighboring towns, situated along the Sorrentine Peninsula.

Single accommodations are limited and are available on a first-come, first-served basis. Single rate subject to change based on availability.

To complete your tour, we include round-trip airport-to-hotel transfers when purchasing our airfare with your tour. If you have arranged for your own air, we are pleased to provide you the option of *purchasing* these transfers. Please note that all transfers will leave at pre-scheduled times.

For air-inclusive reservations, the name provided at time of booking must match your government-issued ID that will be used during travel. Name changes are subject to penalties.

Our air travelers will depart from Rome airport.

Please be advised, many airlines do not provide advance seat assignments until check-in at the airport. Advance seating will be subject to the airline's terms and conditions.

Prepaid tipping is not available on our tours therefore payment of customary end-of-trip gratuities for your Tour Manager, driver, local guides, hotel housekeepers, and cruise ship waitstaff should be handled individually when applicable during the course of your tour.

Economy air rate and schedule are applicable for groups of 10 or more traveling on the same flights and dates.

Collette cannot provide special individual assistance to tour members with special needs for walking, dining, or other routine activities and motorized scooters are not permitted on tour.

The Americans with Disabilities Act only applies in the United States. Many international destinations cannot accommodate passengers’ requests. Collette will make all reasonable efforts to accommodate the special needs of tour participants, but we cannot guarantee that all requests will be honored on international destinations.

Collette also regrets that it cannot provide individual assistance to a tour member with special needs for walking, dining, or other special personal needs. It is strongly recommended that persons requiring assistance be accompanied by a companion who is capable and totally responsible for the assistance.
