The Ability Center

Learn more about our programs and services:

Advocacy

Housing, Transportation, Health Care, and Public Access

Advocacy staff works at the local, state, and federal levels to ensure that the rights of people with disabilities are protected.

Assistance Dogs

Service, Skilled Companion, and School Facility Dogs

Our Assistance Dogs helps individuals achieve greater independence or find comfort in times of need.

Community Living

Home Accessibility and Disability-Related Equipment

We strive to keep people independent and thriving in our communities through home accessibility and disability-related equipment.

Independent Living

Independence & Community Support for Youth, Families, and Adults

We support youth, families, and adults on their journey to independence through interactive programs and services.

Navigators
