^(T)Held in track

Wellness Center Group Exercise Classes are available to Wellness Center members.
Classes subject to change. **Wellbeats™ —See staff for class schedule

^(T)**BodyBlast** (45 min.) A full body HIIT workout that involves cardio and resistance training.

Enhance®Fitness (45 min.) An evidence-based group exercise class offering a full aerobic workout with cardio, strength, balance, and flexibility exercises. Arm and ankle weights are available for strength training.

^(T)**SilverSneakers® Classic** (45 min.) Seated and standing exercises to increase muscular strength, range of motion and activities for daily living.

SilverSneakers® Yoga (45 min.) Seated and standing yoga poses to increase flexibility, balance and range of motion.

Yoga Fusion (45 min.— 1 hr.) Relax your mind with a mix of yoga techniques, traditional stretching, Pilates, and core and muscle strengthening exercises with standing and floor work.

^(T)**Parkinson's Exercise Class** (45 min.) Designed for individuals with Parkinson's Disease, this class focuses on exercises to improve balance, posture, strength, walking, cognition, and cardiovascular health. Exercise may help slow progression of PD-related changes.

^(T)**Seated Strength and Stretch** (30 min.) A seated class offering full body strength & core conditioning, posture & stretching. Wheelchairs are welcome.

^(T)**Balance & Strength Class** (30 min.) A seated and standing chair-based class focused on improving balance, strength, and bone health using hand weights and tubing. Arrive early or stay after class for a 5-minute walk or bike (walkers and walking sticks available).

^(T)**Standing Stronger** (30 min.) A class focused on building strength for greater independence, helping participants move from seated to standing positions. Suitable for those working toward standing independently.

Tone & Sculpt (45 min.) Full body toning and core strengthening class with light cardio.

Geri-Fit® (45 min.) An evidence-based strength training class for older adults focused on increasing strength, balance, coordination, flexibility, and motor skills. Exercises, mostly done seated with dumbbells, can help reduce arthritis symptoms and support chronic disease management.

^(T)**Cardio Drumming** (45 min.) Drum to the rhythm of music. Class can be done seated or standing.

Cycling/Flex/Core (1 hr.) Cycling integrated with elements of yoga, resistance training or Pilates.

Power-up Combo (45 min.) Different class formats from toning, cardio, weight training, circuit, or bootcamp style.

SilverSneakers® EnerChi (45 min.) Seated or standing tai chi movements in flowing sequence to progress strength, balance and focus.

Yoga Flow (45 min.) Continuous flow of movement and breath with a focus on balance, stretching, strength, and developing inner peace. Chair option available.
