COVID Procedures for Outdoor Activities

Registering:

- You must be a 50 North member and pre-register in advance, no walk-ins.
 Registration can be taken up to one week in advance and can be completed by calling 50 North at 419-423-8496.
- Upon registration each participant will be asked a series of COVID-19 screening questions.
- A limit of 10 members will be allowed to participate during each activity.
- Participant names should be registered in My Senior Center under the correct activity.

Reminders when registering:

- Please do not come to 50 North if you feel sick or have the following symptoms: fever, cough, shortness of breath.
- Face coverings are highly recommended.
- A copy of Outdoor Activity Guidelines can be sent to them via email or downloaded from the 50 North website.
- Participants should plan to arrive 15 minutes before the activity starts and park near the
 outdoor pavilion, west side of the building and stay in your vehicle until a staff member
 signals you to enter. They will be brought into the pavilion one at a time by a staff
 member and seated.
- They need to bring their 50 North membership card and a water bottle. Do not bring additional items, additional storage and seating will not be available.
- A reminder call will be made prior to the activity to ensure their participation.

Check-in:

- Before entering, a no-contact temperature check will be taken and members will
 complete a COVID-19 screening questionnaire. Record their temperature and have them
 initial the screening questions that they have answered to the best of their ability.
- An "Assumption of Risk and Waiver of Liability Relating to Coronavirus/COVID" will need to be completed on site, if this is their first time, or can be downloaded from the 50 North website.
- Social distancing should be practiced at all times while entering and exiting the pavilion and marks will be placed on the cement for location of tables and chairs.
- Hand sanitizer will must be used before entering the pavilion or they must wash their hands.
