

## COVID-19 and the Ohio Public Health Advisory System

In July, Gov. Mike DeWine unveiled the Ohio Public Health Advisory System to let Ohioans know the prominence of COVID19 in each Ohio county. The system is color-coded, with Yellow (Level 1) being the least amount of risk, Orange (Level 2) being increased amount of risk (Level 2), Red (Level 3) being very high amount of risk, and Purple (Level 4) being severe exposure risk.
